“Hey, excuse me also in”  
The manager and play the fool again, I put my hand in panties.

“Ah, eh, is not Matt’s Dude”

I’m embarrassed to be seen as unlikely sex itself, I’m completely wet at the time any longer, so I knew myself, I poured a little cause for upper body resistance.

Then the manager said in a whisper close to my face on my face.

“You’re a woman, but I know I’m Mika-chan’s happening here now.’s See why.’ll Be really nice to show me. Right?”

The manager put his hand waiting for a response back to my panties, got down. Several times while kissing the bush under my legs tightly closed, and

“Mika-chan ... please, show to see .... But we also want to kiss here. I always wanted to do ... ”

Delirious words as loud murmur, but now the situation took some magic too. And finally I went to open my legs from a timid.

“... Daily!”  
I felt like I felt happily sign breathtaking.

Where they will go and open the way to the way the manager and I can not wait to make me stand on my knees, so-called ￼Shi￼I Gugutsu the inner thigh and even held the letter M makes.

And “pretty cute, Mika-chan” I come face buried in the middle of the foot but good.

I looked down to give the face a little timidly.  
I touch the hair of a woman ￼Momo between the legs of a woman face

It was thought that not know what to think only in that situation, the next minute, this time a current ran through my head.

The manager of the tongue, roll my flutters, open, or if you want to have a break in the joint, and then suck the liquid and lightly Churutsu soup comes full of women.

“Ah, Ah, U Ugh!”  
I can only groan in a pathetic voice.

Fully ￼Idzuita manager, in turn, use your fingers on my hands, “crack” extended. Feeling at this time, in other words really were not so represented.

Of course I was embarrassed to death. Because crack or hole in, or pee hole, I found the woman or chestnut.

My manager crack spread, “chan chan Mika Mika ... ..” heart and soul can lick the clitoris and the skin was exposed to expand the entrance hole and muttering.

“Oh! Manager ... I’m no good ... I might ...”  
Copyright approaching it is time to sue a breath ￼E￼E I

“Good boy. I know of right at me in silence Ikanai .... That’s OK. You’d be so cool when they do not endure stet. ￼Ikkiri from ik and this show I have no shame. After my from the show as well. ... right? ”

Saying that, the manager of one finger (thumb and index finger probably) while expanding again firmly at the skin of the clitoris, and licked me from a hole in yourself and once Chupatsu the other fingers has been put.

“Oh Uutsu Oh!”

Deep into a strange confusion while the fingers of women in the body, will voice out myself.

And begins to rub together tightly around the back of someone’s finger in the pubic bone, again captures the manager clears the lip.

I’m sure would have been forced to stretch it to be.

“Fill with Oh! Oh! Really grinded on spoiled!’ll Spoiled there! Really ... really!”

Now his back on the table to replace the manager position for the treatment, so I put a hand on the high lavender panties thought Why not just the manager from the beginning to bare all again.

“Oh Noo. I was really embarrassed because he got something like a wet,” just smile back shyly and the manager takes on Surusurutsu and panties down mercilessly.

To help me floated a butt but also embarrassed the manager.

I looked at that time, we lined crotch panties wet I was certainly not the manager Yarito Betchi solution.

Despite the boss naked, I look a little confused what to do, store manager “Mika-chan, then. Me from my heart to blame?” He said.

Still I got perplexed knowing what to do. From nothing to be blamed of course I did not because ... women.

“You’ll be fine to think harder. So should I have to think someone would feel when you are yourself.’m Not back from a girls easy?”

“Oh, oh, yes, then.”

I □Ki□Tsu half, I’ll Hihi □Washi it comes to this no matter what the boss! Psyched put like that

(laughs).

First, face close to the chest of the manager has his back turned, including the mouth and the nipple and areola Pakutsu the manager himself to have been before.

As a deep breath, "Haatsu" store manager and take a big breath. What women have nipples and areola, I remember that again this time I heard this soft.

In addition, while maintaining the space in your mouth, try to roll my tongue and nipples Chirochiro.

(While breathing quietly wore pfft) "Yeah ... Sure, Mika-chan ..."  
And I like the other side ...

Looking at the heart of the manager looked up once again, making a perfect pin to pin both nipples.

I have been very nasty picture of course, very beautiful, so if the manager is the original heart, I knew pretty well where nipples are standing.

"This is really beautiful and I envy manager chest ..."  
Told that instinctively, store manager

"Really? Thanks. But it's not just for women's breasts?"

Manager he says this leads to turn my face to his chest to the head, my hand gently I caress the nipples Torikakarimasu sharp tongue and lips again in response to it.

"Ntsu, huh Ntsu"  
While store managers reveals a sigh occasionally wrinkled brow.

The tone coming out too much (?) Give them strength to the movement of the tongue, and suddenly sucked Kuni Tsuyoshi, and let me in this way and that Metate.

"I've really gotten better ... oh well better be down there?"  
"Ah, yes (Wow, Kiter)"

The manager raised his knees, "Do this rather easy to do ..." she said lifting the legs with both hands like herself.

What I mean is already more exposed ass hole can be split.

The odious but they still look beautiful, because I think the manager is still a beautiful woman from the usual products.

I remember I was impressed that I must do it very clean and beautiful parts of these.

It is so clean, you feel like there is no resistance at all and there is also a strange taste, I tried to kiss to get there, especially without hesitation.

"Oh Yes! That so ... daily! Mika chan wanted to ... Ha!"

I'm glad something, and be erotic, expanding the joint use of both thumbs.

The manager of a small "lower lip" thumbs Ategai inside again, and broadening Gugugutsu issued an entrance hole in the center of the face of the pink meat.

"Ah! Spread ... I'm spreading it!"  
To speak to the manager as a matter of course beside

Kyukkyutsu hole to contract with a hint of the manager according to stertor is praised as the solution of drooling women.

And on top of the seam is pushing out slightly to face clitoris skin.

I was really excited mode plunged into the liquid flowing out of the hole in the scoop had sharpened tip of the tongue and raise it as it is transported to the clitoris.

Once the tongue touches the chestnut,  
"Aatsu!" On the manager loudly and conspicuously strong body makes erected.

The tip of the tongue or back and Chirochiro Kikishi, watch over Kyutsu with suction and sucking lips and I cherish her and I was the manager to devise various clitoris.

Responses are increasingly serious and the manager will do so gradually, “Ugh! Ugugutsu ...” a voice from the throat while squeezing something in it feels like a terrible moan,

Tightly closed eyes, forehead wrinkled with the utmost, the temples are clenching your teeth while fighting □Ki□Gara pleasure vessels.

I feel I must come to a really well adult woman, I wonder if you can make a voice sex with these men? But I think for the firm has become aware again of my own clitoris too.

The clitoris, “erection (Kyaa)” Hey, I’m super I’m a sex clit licking another woman while ...

I sensed that I had driven far as the store manager stet Iyo Iyo, Todo Me refers to that end.

Chupatsu and licked his middle finger just as the manager, at the entrance of the hole Ategaimasu fingertips first.

Manager immediately understood my intentions are dyed red cheeks made the resolution as broaden their feet again, bring your posture straightened my fingers raised.

Zutsu Zuzutsu fingertips, the first joint, we buried my fingers into the body shop manager for a small one by the second joint.

“Huh-up, aak” Hassutsu manager can take a deep breath and gasped will continue slowly swallowed by a hole in my finger a woman.

And my middle finger to the base □Marimashita.

I put the finger into the hole of the first woman of warmth, softness and texture that I was moved to cling to or rather stick.

I have no idea of structure, I had unconsciously move about in Guniguni fingers, like the manager had inadvertently pushing it further,

“Ah another more” rough breathing more eye; and manager, and operates as a gesture of his hair raising oysters.

Now it is only then refers the coffin really. Gritty look behind the pubic bone, the attack on the mouth while rubbing the clitoris with it.

“Ooh ... Ugh! Mika chan chan, Mika, Mika-chan!”

The manager and seize on one end of the treatment

“Ooh! I go! Ik I’m Mika-chan!’ll Aah Awesome!”

“Oof ... ... Gugutsu Ugutsu ...”

Rigid and choking while body convulsed with Bikubbikutsu regular rhythm.

Spasm subsides between 30 and spending about 40 seconds, the store manager showed me a friendly smile bounce breath while floating in the face of sweat on the face,

“Oh really felt good. Thank you, Mika-chan,” he said,

“Come on, tried to kiss”

Hold me with open arms and makes a smack on the lips.

Then wipe gently with a tissue chef embarrassing part of my underwear and clothes and dressed me.

Prepared with news of the day is over and then the manager can get dressed.

A few days later received a phone call to his wife Masako, Ryuzo from the President.

"Please invite the other day and I enjoyed it very much Ufufu after a long time."

"Yeah I'm happy with it, we will partner you always your wife."

Masako and Ryuzo while talking, which reminded one another that night each stimulus was unmanned.

"By the way, about the example from my husband adamantly Okimashita implicitly, I'm okay"

"Thank you, Great!"

"No. Yeah, well I'll sweat it, and I'm looking forward to."

Masako call to leave out the sweet words of temptation.

"Well, first of all that this is a feeling of relief."

Disturbing movement to expel the president said his wife Masako, it seems like pressing down on me.

Peace and security and want to become president of my constellation, which is rearing its head coming suddenly he desires.

"Well who do they."

We ran over the face of some married women in the head of Ryuzo.

Ryuzo chose to partner this evening watching the Oomae Ayako, 34, beautiful wife like □□ Wakui.

"Never again will try to live the joy of the mother abandoned her as a" Fumiko had decided on, but it was still in my mind was the loneliness of the way we dwell.

The relationship had been kept waiting on the first such high-handed way Ryuzo □□Kashita mind the chance of that.

And one is invited to continue the relationship again and again and aggressively, it has recently come to feel that the first germ of her indecent pleasure in his body a little.

Even those Ryuzo other hand, we have seen the joys of his time held by the women themselves chaste married Fumiko is a quickening of the desire to say more thoroughly indecent Shiteyaritai woman.

"No Yes"

Fumiko was absorbed from behind in thought, get a hug Kita Riyuuzou imperceptibly into the bathroom.

"I help out my wife's body wash."

I whisper and begin to fuck both breasts after that Fumiko lowered his big bowl.

"Well Well Well spoiled here."

Fumiko experience held by the first man in the shower but remember the confusion was beginning to feel gradually coming soon.

Wade through a pubic hair like seaweed in the right Paint Me Sobotta Ryuzo thin, crack and break into the back of her flesh,

"Oh, I do."

Try to break a knee jerk and frankly, after the big □Ri□ ripe to leave its body hugging Ryuzo later.

"Oh spoiled no shame."

In response to finger movements of Ryuzo rugged, secluded part □Ki Fumiko is doubtful to start.

Fumiko is a good part of the woman's condition was first made known by Ryuzo that the so-called Fine Instruments.

"I finger tightened so Chigiremasu wife."

Pleasure of indecent obsession Ryuzo words, Fumiko the nature of women's messy and we made like □Meshiku quickening thought.

“Why now and let it suck.”

Words to be manipulated in a commanding tone Ryuzo, Fumiko will fit into the mouth with cock Sosoritatta adamantly Ryuzo or before the lap.

“Oh well spoiled by this odious”

Head in a corner of self-control approach, but come, mouth-supplied Fumiko s Ryuzo its mouth is like protrusions of ineffective control of the machine was now was a nasty move that will advance.

“My wife, and a lot has been improved.”

Obscene language while hearing a Ryuzo, I was not myself believe things into its mouth s active man.

In fact, when the meat will stick in its mouth Ryuzo s Fumiko was the first time felt a sense of humiliation about the Hedde out.

Fumiko rose to the top of pleasure filled the protuberances of Ryuzo doing enough to taste, and speak to the occasion and break Henahena,

“Please, please put”

Incredibly honest to myself, it was leaking from the mouth of the elegant words of your sweet Fumiko this obscene.

“Oh good sob’re going oh oh good good.”

Was soaked in the shower while watching the Ryuzo □Mi□Ka hard tiles on the bathroom soon, Fumiko is crazy intense agony orgasm several times to meet several times.

“Towards these women married this Ufufu obscene, and a grown step.”

Complacently staring intensely distorted figure similar to married Fumiko □□ Wakui was implanted to keep his own greed bar honey pot was deep in the pulp.
